

INDEX TO VOLUME 48

The volume is indexed by SUBJECTS, AUTHORS, and BOOK REVIEWS, in that order.

SUBJECTS

Abortion/Contraception

- Adolescent health services and contraceptive use, 495
- Coping with pregnancy resolution among never-married women, 320

Adolescence

- Adolescent health services and contraceptive use, 495
- Anger, disability, and demands in the family, 228
- Group approach to the depressed adolescent girl in foster care, 516
- Father-absent and father-present families of disturbed and nondisturbed adolescents, 342
- Improving teenage attitudes toward children, child handicaps, and hospital settings: a child development curriculum for potential parents, 663
- Leaving the family out of family court: criminalizing the juvenile justice system, 390
- Remembrance of things past: on the collection and recollection of ingredients useful in the treatment of disorders resulting from unhappiness, rootlessness, and the fear of things to come, 174
- Wilderness camping: an evaluation of a residential treatment program for emotionally disturbed children, 644

Adoption

- Coping with pregnancy resolution among never-married women, 320
- Remembrance of things past: on the collection and recollection of ingredients useful in the treatment of disorders resulting from unhappiness, rootlessness, and the fear of things to come, 174

American Orthopsychiatric Association

- AOA's president for 1978-1979, Margaret Galdston Frank, M.S.S.W., C.S.W., 196
- Business Meeting, 750
- Developmental assessment in EPSDT, 7
- Editor's Reports, 194, 388

Behavioral Symptoms and Problems

- Anger, disability, and demands in the family, 228
- Behavioral symptoms of hyperkinetic children who successfully responded to stimulant drug treatment, 425
- Hyperactives as young adults: school, employer and self-ratings obtained during ten-year follow-up evaluation, 438
- Interaction of language development and activity level on performance of first-graders, 148
- Parental treatment, children's temperament, and the risk of childhood behavioral problems: 2. initial temperament, parental attitudes, and the incidence and form of behavioral problems, 140
- Prevalence of hyperactivity in elementary school children as a function of social system definers, 446
- Problem children's adult adjustment predicted from teachers' ratings, 300
- Psychological problems following recovery from acute life-threatening illness, 284
- Temporal integration and children's understanding of social information on television, 198

Bereavement

- Perinatal mortality: assisting parental affirmation, 727

Brain Damage

- Psychotherapy of the child with true brain damage, 505

Child Abuse

- Child abuse and neglect: the myth of classlessness, 608
- "Irreconcilable differences" between parent and child: a case report of interactional pathology, 703
- Medicalization and legalization of child abuse, 593
- Sexual abuse of children: a clinical spectrum, 237
- Violence toward children in the United States, 580

- Problem children's adult adjustment predicted from teachers' ratings, 300
- Psychological problems following recovery from acute life-threatening illness, 284
- Temporal integration and children's understanding of social information on television, 198

Bereavement

- Perinatal mortality: assisting parental affirmation, 727

Brain Damage

- Psychotherapy of the child with true brain damage, 505

Child Abuse

- Child abuse and neglect: the myth of classlessness, 608
- "Irreconcilable differences" between parent and child: a case report of interactional pathology, 703
- Medicalization and legalization of child abuse, 593
- Sexual abuse of children: a clinical spectrum, 237
- Violence toward children in the United States, 580

Child Rearing and Development (see *Infant Development*)

- Approach to identification and prevention of developmental difficulties among Mexican-American children, 96
- Developmental assessment in EPSDT, 7
- EPSDT in practice: what's happening in the field?, 77
- Early and periodic screening, diagnosis, and treatment: realities, risks, and possibilities, 4
- Imaginary figures of early childhood: Santa Claus, Easter Bunny, and the Tooth Fairy, 618
- Implementing the developmental assessment component of the EPSDT program, 22
- Improving teenage attitudes toward children, child handicaps, and hospital settings: a child development curriculum for potential parents, 663
- Interaction of language development and activity level on performance of first-graders, 148
- "Irreconcilable differences" between parent and child: a case report of interactional pathology, 703
- Maternal sensitivity to children in problem situations, 291
- Mental health work in children's health centers: learnings from five years' experience, 40
- Parent-therapist program: alternate care for emotionally disturbed children, 654
- Parental treatment, children's temperament, and the risk of childhood behavioral problems: 2. initial temperament, parental attitudes, and the incidence and form of behavioral problems, 140
- Pathways upstream: risks and realities of early screening efforts, 131
- Problem kids and preventive medicine: the making of an odd couple, 56
- Screening the environment, 114
- Some effects of bicultural and monocultural school environments on personality development, 398
- Sweden's approach to health screening for preschool children, 33
- Television and children: issues involved in corrective action, 205
- Toward assuring confidentiality of records in large-scale assessment programs, 71
- Wilderness camping: an evaluation of a residential treatment program for emotionally disturbed children, 644

Children

- Anger, disability, and demands in the family, 228

- Approach to identification and prevention of developmental difficulties among Mexican-American children, 96
- Behavioral symptoms of hyperkinetic children who successfully responded to stimulant drug treatment, 425
- Child abuse and neglect: the myth of classlessness, 608
- Children's concepts of healing: cognitive development and locus of control factors, 335
- Common problems of stepparents and their spouses, 252
- Developmental assessment in EPSDT, 7
- Diagnostic classification of learning problems: some data, 717
- EPSDT in practice: what's happening in the field?, 77
- Early and periodic screening, diagnosis, and treatment: realities, risks, and possibilities, 4
- Effects of sensory-motor training on the language development of retarded preschoolers, 310
- Imaginary figures of early childhood: Santa Claus, Easter Bunny, and the Tooth Fairy, 618
- Implementing the developmental assessment component of the EPSDT program, 22
- Improving teenage attitudes toward children, child handicaps, and hospital settings: a child development curriculum for potential parents, 663
- Interaction of language development and activity level on performance of first-graders, 148
- Interpersonal relationship between parents and caregivers in day care settings, 680
- "Irreconcilable differences" between parent and child: a case report of interactional pathology, 703
- Maternal sensitivity to children in problem situations, 291
- Medicalization and legalization of child abuse, 593
- Mental health interventions in divorce proceedings, 273
- Mental health work in children's health centers: learnings from five years' experience, 40
- Parent-therapist program: alternate care for emotionally disturbed children, 654
- Parental treatment, children's temperament, and the risk of childhood behavioral problems: 2. initial temperament, parental attitudes, and the incidence and form of behavioral problems, 140
- Pathways upstream: risks and realities of early screening efforts, 131
- Perinatal mortality: assisting parental affirmation, 727
- Prevalence of hyperactivity in elementary

- school children as a function of social system definers, 446
- Problem children's adult adjustment predicted from teachers' ratings, 300
- Problem kids and preventive medicine: the making of an odd couple, 56
- Psychological problems following recovery from acute life-threatening illness, 284
- Psychotherapy of the child with true brain damage, 505
- Screening the environment, 114
- Sexual abuse of children: a clinical spectrum, 237
- Sweden's approach to health screening for preschool children, 33
- Television and children: issues involved in corrective action, 205
- Temporal integration and children's understanding of social information on television, 198
- Toward assuring confidentiality of records in large-scale assessment programs, 71
- Violence toward children in the United States, 580
- Wilderness camping: an evaluation of a residential treatment program for emotionally disturbed children, 644

Clinic Operation

- Community mental health ideology: a problematic model for rural areas, 673
- Diagnostic classification of learning problems: some data, 717
- EPSDT in practice: what's happening in the field?, 77
- Ethnicity and service delivery, 160
- Mental health interventions in divorce proceedings, 273
- Mental health work in children's health centers: learnings from five years' experience, 40

Community Mental Health

- Attitudes towards symptoms and services in the ethnic family and neighborhood, 477
- Battered wives: barriers to identification and treatment, 487
- Community mental health ideology: a problematic model for rural areas, 673
- EPSDT in practice: what's happening in the field?, 77
- Ethnicity and service delivery, 160
- Mental health work in children's health centers: learnings from five years' experience, 40
- Toward assuring confidentiality of records in large-scale assessment programs, 71

Confidentiality

- Developmental assessment in EPSDT, 7
- Implementing the developmental assessment component of the EPSDT program, 22
- Toward assuring confidentiality of records in large-scale assessment programs, 71

Crisis Intervention

- Paradigm for the classification of emotional crises: implications for crisis intervention, 538

Cross-Cultural Studies

- Approach to identification and prevention of developmental difficulties among Mexican-American children, 96
- Some effects of bicultural and monocultural school environments on personality development, 398
- Sweden's approach to health screening for preschool children, 33

Deinstitutionalization

- Debathtubization: a modern fable, 396

Depression

- Group approach to the depressed adolescent girl in foster care, 516
- Measuring the interventions used in the short-term interpersonal psychotherapy of depression, 629
- Remembrance of things past: on the collection and recollection of ingredients useful in the treatment of disorders resulting from unhappiness, rootlessness, and the fear of things to come, 174

Developmental Assessment

- Approach to identification and prevention of developmental difficulties among Mexican-American children, 96
- Developmental assessment in EPSDT, 7
- EPSDT in practice: what's happening in the field?, 77
- Early and periodic screening, diagnosis, and treatment: realities, risks, and possibilities, 4
- Implementing the developmental assessment component of the EPSDT program, 22
- Mental health work in children's health centers: learnings from five years' experience, 40
- Pathways upstream: risks and realities of early screening efforts, 131

- Problem kids and preventive medicine: the making of an odd couple, 56
- Screening the environment, 114
- Sweden's approach to health screening for preschool children, 33
- Toward assuring confidentiality of records in large-scale assessment programs, 71

Divorce

- Mental health interventions in divorce proceedings, 273
- Preparation for remarriage following divorce: the use of group techniques, 263

Drugs (Pharmacology)

- Behavioral symptoms of hyperkinetic children who successfully responded to stimulant drug treatment, 425
- Measuring the interventions used in the short-term interpersonal psychotherapy of depression, 629

Education

- Adolescent health services and contraceptive use, 495
- Diagnostic classification of learning problems: some data, 717
- Improving teenage attitudes toward children, child handicaps, and hospital settings: a child development curriculum for potential parents, 663
- Interaction of language development and activity level on performance of first-graders, 148
- Some effects of bicultural and monocultural school environments on personality development, 398

Evaluation of Services

- Role of goal attainment scaling in evaluating family therapy outcome, 464
- Wilderness camping: an evaluation of a residential treatment program for emotionally disturbed children, 644

Family/Family Therapy

- Anger, disability, and demands in the family, 228
- Attitudes towards symptoms and services in the ethnic family and neighborhood, 477
- Battered wives: barriers to identification and treatment, 487
- Child abuse and neglect: the myth of classlessness, 608
- Common problems of stepparents and their spouses, 252

- Father-absent and father-present families of disturbed and nondisturbed adolescents, 342

- "Irreconcilable differences" between parent and child: a case report of interactional pathology, 703

- Medicalization and legalization of child abuse, 593

- Mental health interventions in divorce proceedings, 273

- Methods for studying sensitive family topics, 408

- Perinatal mortality: assisting parental affirmation, 727

- Preparation for remarriage following divorce: the use of group techniques, 263

- Psychological problems following recovery from acute life-threatening illness, 284

- Role of goal attainment scaling in evaluating family therapy outcome, 464

- Sexual abuse of children: a clinical spectrum, 237

- Sharing the crisis of rape: counseling the mates and families of victims, 166

- Violence toward children in the United States, 580

Foster Care

- Group approach to the depressed adolescent girl in foster care, 516
- Parent-therapist program: alternate care for emotionally disturbed children, 654

Gerontology

- Late-life paranoid states: assessment and treatment, 528

Group Therapy

- Group approach to the depressed adolescent girl in foster care, 516
- Preparation for remarriage following divorce: the use of group techniques, 263
- Wilderness camping: an evaluation of a residential treatment program for emotionally disturbed children, 644

Health Care System

- Approach to identification and prevention of developmental difficulties among Mexican-American children, 96
- Attitudes towards symptoms and services in the ethnic family and neighborhood, 477
- Community mental health ideology: a problematic model for rural areas, 673
- EPSTDT in practice: what's happening in the field?, 77
- Ethnicity and service delivery, 160

- Implementing the developmental assessment component of the EPSDT program, 22
- Mental health work in children's health centers: learnings from five years' experience, 40
- Problem kids and preventive medicine: the making of an odd couple, 56
- Toward assuring confidentiality of records in large-scale assessment programs, 71

Hyperactivity

- Behavioral symptoms of hyperkinetic children who successfully responded to stimulant drug treatment, 425
- Interaction of language development and activity level on performance of first-graders, 148
- Prevalence of hyperactivity in elementary school children as a function of social system definers, 446

Infant Development (see Child Development)

- Approach to identification and prevention of developmental difficulties among Mexican-American children, 96
- Developmental assessment in EPSDT, 7
- EPSDT in practice: what's happening in the field?, 77
- Early and periodic screening, diagnosis, and treatment: realities, risks, and possibilities, 4
- Implementing the developmental assessment component of the EPSDT program, 22
- Mental health work in children's health centers: learnings from five years' experience, 40
- Pathways upstream: risks and realities of early screening efforts, 131
- Problem kids and preventive medicine: the making of an odd couple, 56
- Screening the environment, 114
- Sweden's approach to health screening for preschool children, 33
- Toward assuring confidentiality of records in large-scale assessment programs, 71

Language Development

- Effects of sensory-motor training on the language development of retarded preschoolers, 310
- Interaction of language development and activity level on performance of first-graders, 148

Law and Legislation

- Approach to identification and prevention of

developmental difficulties among Mexican-American children, 96

- Developmental assessment in EPSDT, 7
- EPSDT in practice: what's happening in the field?, 77

Implementing the developmental assessment component of the EPSDT program, 22

"Irreconcilable differences" between parent and child: a case report of interactional pathology, 703

Leaving the family out of family court: criminalizing the juvenile justice system, 390

Medicalization and legalization of child abuse, 593

Mental health interventions in divorce proceedings, 273

Toward assuring confidentiality of records in large-scale assessment programs, 71

Mental Health Systems

- The relation of reflection and action, 214

Mental Retardation

- Effects of sensory-motor training on the language development of retarded preschoolers, 310

Parent-Child Interaction

Anger, disability, and demands in the family, 228

Child abuse and neglect: the myth of classlessness, 608

Common problems of stepparents and their spouses, 252

Father-absent and father-present families of disturbed and nondisturbed adolescents, 342

Imaginary figures of early childhood: Santa Claus, Easter Bunny, and the Tooth Fairy, 618

Improving teenage attitudes toward children, child handicaps, and hospital settings: a child development curriculum for potential parents, 663

"Irreconcilable differences" between parent and child: a case report of interactional pathology, 703

Maternal sensitivity to children in problem situations, 291

Medicalization and legalization of child abuse, 593

Parental treatment, children's temperament, and the risk of childhood behavioral problems: 2. initial temperament, parental attitudes, and the incidence and form of behavioral problems, 140

Preparation for remarriage following divorce: the use of group techniques, 263

Sexual abuse of children: a clinical spectrum, 237

Violence toward children in the United States, 580

Preschool Programs

Approach to identification and prevention of developmental difficulties among Mexican-American children, 96

Developmental assessment in EPSDT, 7

EPSDT in practice: what's happening in the field?, 77

Early and periodic screening, diagnosis, and treatment: realities, risks, and possibilities, 4

Implementing the developmental assessment component of the EPSDT program, 22

Interpersonal relationship between parents and caregivers, 680

Mental health work in children's health centers: learnings from five years' experience, 40

Pathways upstream: risks and realities of early screening efforts, 131

Problem kids and preventive medicine: the making of an odd couple, 56

Screening the environment, 114

Sweden's approach to health screening for preschool children, 33

Toward assuring confidentiality of records in large-scale assessment programs, 71

Primary Prevention

Prevention parable revisited, 394

Remembrance of things past: on the collection and recollection of ingredients useful in the treatment of disorders resulting from unhappiness, rootlessness, and the fear of things to come, 174

Psychosomatic Illness

Periodic marital separation and physical illness, 637

Psychotherapy

Measuring the interventions used in the short-term interpersonal psychotherapy of depression, 629

Psychotherapy of the child with true brain damage, 505

Rape

Sharing the crisis of rape: counseling the mates and families of victims, 166

Research

Behavioral symptoms of hyperkinetic children who successfully responded to stimulant drug treatment, 425

Children's concepts of healing: cognitive development and locus of control factors, 335

Coping with pregnancy resolution among never-married women, 320

Effects of sensory motor training on the language development of retarded preschoolers, 310

Father-absent and father-present families of disturbed and nondisturbed adolescents, 342

Hyperactives as young adults: school, employer, and self-rating scales obtained during ten-year follow-up evaluation, 438

Imaginary figures of early childhood: Santa Claus, Easter Bunny, and the Tooth Fairy, 618

Late-life paranoid states: assessment and treatment, 528

Maternal sensitivity to children in problem situations, 291

Methods for studying sensitive family topics, 408

Parental treatment, children's temperament, and the risk of childhood behavioral problems: 2. initial temperament, parental attitudes, and the incidence and form of behavioral problems, 140

Periodic marital separation and physical illness, 637

Prevalence of hyperactivity in elementary school children as a function of social system definers, 446

Problem children's adult adjustment predicted from teachers' ratings, 300

Role of goal attainment scaling in evaluating family therapy outcome, 464

Screening the environment, 114

Some effects of bicultural and monocultural school environments on personality development, 398

Wilderness camping: an evaluation of a residential treatment program for emotionally disturbed children, 644

Residential/Hospital Treatment

Debathtubization: a modern fable, 396

Parent-therapist program: alternate care for emotionally disturbed children, 654

Psychological problems following recovery from acute life-threatening illness, 284

Wilderness camping: an evaluation of a residential treatment program for emotionally disturbed children, 644

Social Policy

- Child abuse and neglect: the myth of classlessness, 608
- Leaving the family out of family court: criminalizing the juvenile justice system, 390
- Medicalization and legalization of child abuse, 593
- Problem kids and preventive medicine: the making of an odd couple, 56
- Reexamining barriers to women's career development, 690
- Television and children: issues involved in corrective action, 205

Social Role and Sex Role

- Methods for studying sensitive family topics, 408
- Reexamining barriers to women's career development, 690
- Sexual abuse of children: a clinical spectrum, 237
- Sharing the crisis of rape: counseling the mates and families of victims, 166

Sociocultural

- Approach to identification and prevention of developmental difficulties among Mexican-American children, 96
- Attitudes towards symptoms and services in the ethnic family and neighborhood, 477
- Ethnicity and service delivery, 160
- Some effects of bicultural and monocultural

school environments on personality development, 398

Television

- Television and children: issues involved in corrective action, 205
- Temporal integration and children's understanding of social information on television, 198

Violence

- Battered wives: barriers to identification and treatment, 487
- Child abuse and neglect: the myth of classlessness, 608
- Sexual abuse of children: a clinical spectrum, 237
- Sharing the crisis of rape: counseling the mates and families of victims, 166
- Violence toward children in the United States, 580

Women

- Battered wives: barriers to identification and treatment, 487
- Coping with pregnancy resolution among never-married women, 320
- Periodic marital separation and physical illness, 637
- Reexamining barriers to women's career development, 690
- Sharing the crisis of rape: counseling the mates and families of victims, 166
